INFORMATION SECURITY POLICY

As Öztiryakiler, we undertake;

- To ensure the effectiveness and continuous improvement of the ISO 27001 Information Security Management System and to provide the resources needed in this regard,
- To continuously inform and raise awareness of our employees about the Information Security Management System,
- To ensure the confidentiality, integrity and accessibility of the information assets of Öztiryakiler and its stakeholders,
- To evaluate risks and take measures to reduce risks by continuously monitoring Information Security processes and technological developments,
- To fulfil our information security obligations arising from laws and contracts,
- To respond effectively and quickly to possible information security breach incidents and to take measures to minimize the impact of incidents,
- To protect the reputation of Öztiryakiler and its stakeholders from the negative effects that may arise from information security vulnerabilities.

Chairman of the Board of Director
Yusuf Kenan ÖZTİRYAKİ
